**For Immediate Release: February 22, 2011**

### **CRESTLINE COACH NAMED ONE OF CANADA'S 50 BEST MANAGED COMPANIES**

(Saskatoon, SK) Crestline Coach Ltd., a leading ambulance manufacturer based in Saskatoon, Saskatchewan, has been named one of Canada's 50 Best Managed Companies.

Canada's 50 Best Managed Companies continues to be the mark of excellence for Canadian companies with revenues over \$10 million. Since 1993, hundreds of entrepreneurial companies have competed for this designation in a rigorous and independent process that evaluates their management skills and practices.

Crestline has grown to become one of North America's most advanced and innovative manufacturers of custom built ambulances and emergency vehicles. Their commitment to quality is demonstrated in ISO 9001:2008, Ford QVM Certification and KKK-A-1822 compliance. Since 1975, Crestline has led the industry with innovations such as the Aero Body – an all aluminum aerodynamic module body, the O2 to Go Loading System, ergonomic interior design configurations, high visibility exterior graphics and their exclusive CrestCoat exterior powder coat finish.

In 2010, Crestline Coach received an ABEX award for Health and Innovation and was most recently honoured again with the distinction of being one of Saskatchewan's Top 20 Employers.
