

CRESTCOAT™

TECHNOLOGY

**If you're a life saver,
this is your cost saver.**

- ASTM D3170 Chip Resistance
- Ford BI-161-01 Mar Resistance
- ASTM D3359 Adhesion
- ASTM D1654 Corrosive Environments

CRESTLINE®
WORLD CLASS SAFETY AND INNOVATION

To learn more call 1-888-887-6886 or visit the website at www.crestlinecoach.com

Vehicles of all types are increasingly exposed to highly corrosive anti-icing/de-icing solutions, environmental pollutants and debris found on today's roads. The result is accelerated corrosion and paint damage that significantly affects the appearance and longevity of the vehicle. Repairs and downtime have proven costly to the ambulance industry.

CRESTCOAT TECHNOLOGY is the industry's first exterior powder coat finish providing superior corrosion resistance along with industrial strength durability properties which will significantly improve the longevity of your ambulance conversion. This highly anticipated innovation uses an environmentally friendly electro-static system to deliver the powder coat material onto the 100% aluminum module surface.

This breakthrough technology is an integrated design, build and powder coating system that is exclusive to **Crestline** - a name you can trust to provide world class safety and innovation.

Coating our completed ambulance modules with high bake powder coated finish, adds a superior level of protection .

After several years of engineering research, extensive salt spray and impact tests were conducted to confirm the superior corrosion resistance, durability and premium quality of the product. The comprehensive tests proved the product performed even better than expected. As a result, **CRESTCOAT** comes with the best backed warranty in the industry and is standard on all Crestline manufactured ambulances.

CRESTCOAT Paint Warranty - Lifetime unlimited mileage.

Crestline warrants that the CRESTCOAT powder paint finish on the modular aluminum body will be free of all defects in workmanship and materials for the life of the product. This warranty is limited to the original owner and applies only while the body remains on the original chassis.
